Do you have an Advocate in your life?

When a crisis hits (and believe us...they will) who's your first phone call to?
Do you have an "advocate" (one who pleads another's cause) in your life?

We challenge you to find another man who is older, wiser, and fully in love with the person of Jesus Christ to be *your advocate*. Remember that the enemy wants us to be isolated. Here is your chance to gather together.

Below is a list of resources for men to find and connect with an advocate.
